Announcement for the

Healing-Energy-Symphony-Music by CDyCRIC

We thank all people, who learned to love and appreciated the Healing-Energy-Symphonies by CDyCRIC. Since its first publication on CD media in 2010, this music is played in many countries all over the world. The Healing-Energy-Symphony-Music by CDyCRIC is unique in its composition, in its shape and design as well as in its sounds and vibrational frequencies.

Vertical Music

According to our knowledge, this music is the first music worldwide which is vertical-oriented. It is also unique in hearing and perceiving for our soul and our soul consciousness. Thereby it can unfold its effect on all energetic levels even by playing the media (CDs) toneless. Unlimited are its experienced applications and effect areas for humans, animals, the nature, mother earth and all planets in the universe.

Vertical music is the present and the future as well as the connection to the divine birthright here on earth.
